Dear Commissioner:

After talking the matter of rating ditches over with Mr. Tracy and Mr. Norseth at Salt Lake City, it was decided That Mr. Norseth and I meet you at your home at 9:00 A.M. on Friday June 22, as I am scheduled to attend a Bear River Compact meeting at Evanston, at 1:30 P.M. Thursday, June 21st. Arrangements as before, we will expect you to go along and furnish conveyance if possible.

Yours sincerely,
